Convenient, cost-effective operation

- Built-in technology conserves ribbon usage, reducing waste and saving you money:
 - Panel ribbons save one complete panel set during each initialization
 - Monochrome ribbons use only material length needed for the specific card design for significant yield savings
- Convenient ribbon types for use in simplex or duplex applications
- Automatically notifies you when supply is low and it's time for ribbon replacement
- Print ribbon kits include a ribbon, isopropanol cleaning card, and an adhesive cleaning roller for easy loading onto the provided ribbon cartridge
- Optional prefilled ribbon cassettes make switching ribbons easy

Unmatched security

- Easily add layers of security elements to your cards with custom designs that are difficult to replicate
- Specialty ribbons let you add UV fluorescence or luster color to cards as low-level security elements or decorative embellishments
- Modular options let you include tactile impression, holographic laminates, or color tactile printing to add security, durability, and to make your card program stand out

Eco-friendly

In support of fostering a sustainable future, Entrust maintains compliance with global environmental regulations while striving to reduce our impact on the environment.

- Ribbon cores are made with a biodegradable material
- Packaging is biodegradable, made from 100% recycled material and printed with soy inks
- Entrust is an ISO 14001 Certified company
